INDIAN AUDIT AND ACCOUNTS DEPARTMENT

OFFICE OF THE ACCOUNTANT GENERAL IN MYSORE BANGALORE.

Notification dated 29th October 1956.

To

The Deputy Commissioners/Collectors,
Treasury Department,
All Districts.

SIR,

Subject,—Procedure to be followed in District and Taluk/Sub-Treasuries of the New Mysore State.

No. R.S./164/56-57. Consequent on the implementation of the proposals connected with the Reorganisation of States and the merger of the undermentioned areas with the existing State of Mysore with effect from 1st November 1956, it has become necessary to issue certain instructions for observance by the treasuries coming under the administrative control of the Government of the New Mysore State with effect from 1st November 1956. Detailed instructions have already been issued to all the Deputy Commissioners/Collectors, Treasury Department, by the State Government in their circular letter No. Fl. (R) 4046-64—B. & T. 76-56-2, dated 26th October 1956. These instructions will have to be strictly adhered to by you as well as by the officers in charge of the Taluk Sub-Treasuries under your jurisdiction. The following supplementary instructions are issued for information and guidance.

1. Belgaum District except Chandgad Taluka and Bijapur, Dharwar and North Kanara Districts.
2. Gulbarga District except Kadangal and Tandur Taluks, Raichur District except Alampur and Gadwal Taluks and Bidar District except Ahmadnagar, Nilanga Udgir taluks, Zahirabad taluk (except Nirna Circle) Nyaldal Circle and Narayankhed taluk.
3. South Kanara district except Kasargod Taluk and Amindivi Islands and Kollegal taluk of Coimbatore District, and
4. The territories of the existing State of Coorg.

2. *Submission of accounts to this office.*—As stated in para 7 of the circular letter of Government referred to above, the accounts commencing from the First November 1956 should be rendered to this office on the due dates prescribed in Article 110 of the Mysore Treasury Code. The first schedule (List of Payments) with connected vouchers should be despatched to this office on the 10th of each month (in the case of Bank Treasuries on the 11th), and the monthly account of Receipts and Disbursements with supporting schedules and the connected vouchers should be despatched by the 4th day of the following month.

3. *Continuance of payments at treasuries.*—As regards para 1 of Government letter a list of officers in the new areas, merging with the Mysore State authorised to draw cheques and bills for Establishment, T.A. Contingent and supply bills, etc., will be furnished to you by the Heads of Departments and Divisional Commissioners. I would request that in the meantime you may honour the bills, cheques, etc., presented to you by the drawing officers already in account with your treasury. It should however be noted that this instruction is intended to avoid hardship in the encashment of bills, cheques, etc., and to keep Government work going. It should be seen before payment that the claims are otherwise admissible and are in accordance with the rules governing them. All doubtful cases should be referred to this office for decision.

4. *Payments to Gazetted Officers.*—The claims of Gazetted Officers arising in the areas within your jurisdiction may provisionally be continued to be paid at the existing rates on the basis of the pay slips L.P.C. etc., already on record in your office pending receipt of final authorisations from this office. All cases where the admissibility of the amounts claimed is doubtful should be referred to this office immediately for decision.

5. *Payment of Pensions.*—Claims for pensions may be paid as hitherto with reference to the Pension Payment Orders already on record with your treasury. As regards the classification of payments towards pension, which are eventually allocable between the various States, (Mysore and the Union Governments) instructions are under issue separately.

6. *Classification of Transactions in Accounts.*—Special attention should be paid to the classification of receipts and payments in the accounts, particularly with regard to the transactions debitable/creditable to the other Governments. The instructions contained in paras (5) and (6) of the circular letter of Government have to be carefully observed.

7. *Payment of Arrear Claims.*—Arrear claims relating to the pre-reorganisation period, i.e., period prior to 1st November 1956 should be paid initially by the treasuries where the claims arise subject to eventual adjustment by this office among the various Governments in the manner to be decided upon by the successor Governments concerned. It should, however, be noted that arrear claims which require pre-audit by this office under the rules or whose admissibility is *prima facie* doubtful should not be paid except under the instructions of this office.

8. *Specimen Signatures.*—The specimen signatures of the Gazetted Officers of this office who are authorised to issue pay slips and/or make payment orders on the treasuries (duly countersigned) will be sent to you separately.

9. Suitable instructions may kindly be issued to all Taluk/Sub-Treasuries under your control.

10. The receipt of this circular letter may please be acknowledged.

Yours faithfully,

P. K. SEN,
Accountant General.
